Re: Annual AGM June 15th 2021

Dear friends at the Weston King Neighbourhood Centre,

I would like to acknowledge and thank you for the valuable community you do in York South—Weston.

This past year the Covid-19 pandemic has added even greater burdens and hardships to some of the most marginalized and those made vulnerable in our community.

We have seen unfair evictions and renovictions in York South—Weston and we have seen a community neglected by this government when it came to Covid testing and vaccinations and in assisting people in meeting their financial needs.

The disparities that exist in society are only highlighted and made sharper by Covid.

I am proud of the work WKNC continues to do in advocating for and helping meet the needs of folks struggling in our community.

It is truly inspiring to see community groups such as yours stand up and fight for those left behind, especially in pandemic time when you are needed more than ever.

As a former board member of Weston King Neighbourhood Centre I am very familiar with the tremendous work done and the dedicated team of community members who affect real change in society.

I wish everyone well and hope that the virtual Annual General Meeting on June 15th goes well.

Please know your efforts are deeply appreciated.

Sincerely,

Faisal Hassan
