AUDITOR'S REPORT

To the Directors

Weston King Neighbourhood Centre

I have audited the statement of financial position of Weston King Neighbourhood Centre as at December 31, 2010 and the statement of operations and changes in fund balances for the year ended on that date. These financial statements are the responsibilities of the directors. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in concordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the directors, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of Weston King Neighbourhood Centre as at December 31, 2010 and the results of its operations for the year then ended in accordance with Canadian generally accepted accounting principles.
